"This was a really strong performance, and is 100% the result of your hard work and dedication to this program. Cannot thank you guys enough for what you do day-in and day-out to produce high performance, high quality, and incident-free wellbores..... This was a really strong pad overall. The pad average is 4,661 fpd, and 2 of the 5 wells were over 5K/day" - Client
