BACKGROUND INFORMATION:

Hitch pin c/w hair pin clip were used on some TESCO top drives and rig up kits. The hair pin clip may fall off when hit by another object, which may result in the hitch pin itself falling off, creating danger for personnel on the rig floor.

AFFECTED PRODUCT:

All top drive products including HC, HS, HMI, HCI, HXI, ECI, EMI, and EXI may be affected.

ACTION REQUIRED:

If hitch pin c/w hair pin clip was installed in an overhead equipment application, it is highly recommended to replace hair pin clip with industrial safety pin, then connect hitch pin with safety pin using lanyard.
